- what does a government do?

VIII

ACTIVITIES

- collect information about the democratic government in India?
- collect the picture of your local M.P., M.L.A. and chief minister?

Reference Books

- 6th class text book
- degree text book.

Lesson. 2

PRELIMINARY INFORMATION

Name of the student-teacher: Arati Ojha

Class: 5th

Subject: Social Studies

Topic: Role in Agricultural Production

Parent-A.

Time : 45 min

Date : 25/11/16

Registration Number: 21644902036

Name of the Supervisor: Mrs. K. Anand Sameem

II. TEACHING - LEARNING POINTS.

1. Meaning of Agriculture.
2. How are agricultural goods traded?
3. About weekly market (Saontha).
4. Rythu Bazaar in Andhra Pradesh.
5. Terms and conditions of money lenders借
lending money?

15

III.

EXPECTED LEARNING OUTCOMES.

16

1. Conceptual understanding : Pupils understand and can explain about agriculture, weekly market, Rythu Bazaar and agricultural goods.
2. Reading the text : Pupils read the text on page no-68, 69, 70, 71 and know about the agricultural produce.
3. Information skills : Pupils collect information about agriculture, Rythu Bazaar, weekly market and about different agricultural goods.
4. Reflection skill : The pupils reflect the importance of agriculture in our country.
5. Mapping skills : The pupils identifies the importance of agriculture and their needs in our daily life.

6. APPENDIX: THE DETAILS OF THE AGROCULTURAL TRADE AND THEIR

needs in our country.

141

TEACHING AND LEARNING MATERIALS (TLMs)

1. A chart with meaning of agriculture.
 2. A chart with weekly market (Samvad).
 3. A chart with Rythu Bazaar in Andhra Pradesh.
 4. A chart with agricultural goods.

Steps	Teachers Activity	Pupil's Activity	Black board work	Time
<u>STEP-1</u>	Agreements Good Morning Students! How are you all today?	Answer teacher.		
	Q) Concept Mapping How can these weekly markets, and Rythu Bazaar help vendors? A) Agriculture means growing crops or plants for human needs. weekly markets are held every week in different places.	Rythu Bazaar - Initially Government officers related to this bazaar.		

Steps	Teacher's Activity	Pupils activity	Black Board work	TLM

3) Identifying key words	Students ask the teacher questions after reading the text.	Teacher asks the students about the knowledge of the words by giving examples and illustrations.			

Steps	concept analysis	Teachers Activity	pupils Activity	Black Board work	TLM
1) Questioning		Teacher explains about Christianity and its importance.			
2) Understanding	Now teacher divides the students into groups and asks few questions.	He asks the students what all he taught in the class.			
3) Connecting		Teacher asks the students what all he taught in the class.			

Teaching learning points

- identify the boundaries of Europe.
- the ocean to the west of Europe.
- the mountains to the east of Europe.

Expected learning outcomes

- 1) conceptual understanding : pupils should know the location of Europe and the boundaries of Europe.
- 2) Reading the text : pupils read the text page no.10 and know about the location and boundaries of Europe.
- 3) Information skills : pupils collect information about Europe location and the boundaries through atlas and globe.

MENT OF THE CHARTER-TALKER : PUPILS STATE

STATE : STATE

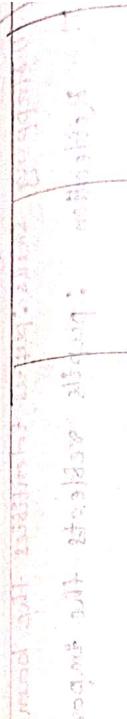

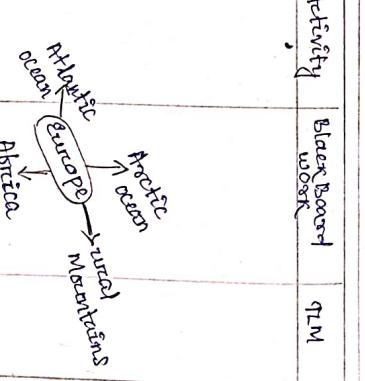

Teaching learning Materials (TLMs)

- 1) Mapping skills : pupils identifies the boundaries and location through maps.
- 2) Reflection : pupils reflects the importance of Europe and its boundaries.

105

- 1) A chart showing the boundaries of Europe.
- 2) A chart showing the location of Europe.
- 3) A chart showing the oceans and seas bound in the Europe.
- 4) A chart showing the mountains located in Europe.
- 5) A chart showing seasons in Europe.

104

Steps	concept analysis	Teachers Activity	pupils Activity	black board work	Q.M
<u>STEP-1</u> Greetings	1) concept Mapping 2) announcement of the topic	Good morning students! How are you all? How was your day till now?	children can you tell me about continent Europe? Do you know the location and boundaries of Europe?	fine teacher.	
		Now, children today we are going to learn about the continent Europe.			
<u>STEP-2</u> location of Europe	1) Reading the text In order to find out the location of Europe and to see how far it is from India you will need an atlas once lobe. To begin with identify the boundaries of Europe. There is an ocean to its north. Identify its name on the map. This ocean is frozen for most of the year. This ocean separates the two continents Europe and North America. About six years ago, the people of Europe discovered sea route to America and millions of Europeans migrated to the continent of America and settled down here.	In order to find out the location of Europe and to see how far it is from India you will need an atlas once lobe. To begin with identify the boundaries of Europe. There is an ocean to its north. Identify its name on the map. This ocean is frozen for most of the year. Now, you have underlined new words. Now, you have underlined the key words, standup and read one by one.	Children now you take page no. 48. While reading the lesson underline the difficult words you cross across.		107

Steps **concept** **Teacher's Activity**

Analysis

Teacher's Activity

This sea separates Europe in north word concept from Africa in South. The name of this sea means "middle of the world".

The student - teacher write the words on the black board.

pupil will observe them and write them in their note book.

continents, bungen, North America, Sea route, Australia, Europeans, migrated.

"Middle of the world".

Understan-

ding key

words by giving examples and illustrations.

STEP-3

conceptual

understand-

ing key

words by giving examples and illustrations.

Steps	concept analysis	Teacher's Activity	pupil activity	black board work	TLM
1. Identifying word concept	Student-teacher writes the words on the black board.	Pupil will observe them and write them in the note book.	Mughalistan, Mongolic, ancestral, captured, Ibrahim Lodhi		124
2. Understanding key words	The student-teacher asks the students about knowledge of words by giving examples and illustrations.	Student-teacher explains about the Mughal emperors and their administration. Then teacher divides the students into groups and asks them few questions.	Everyone has equal opportunity to answer.	Very fair TLM	125
3. Conceptual understanding	Now, we will discuss what we have learnt. Now answer the questions.	→ who was the first ruling families of central Asian countries? → who was the first Mughal Emperor.	Black Board work	126	

Generalisation

- people should know about the Mughal emperors.
- people should know about the Mughal kingdom and their administration.

Evaluation

- who was the first ruling families of central Asian countries?
- tell me the names of some Mughal emperors?
- who was the first Mughal Emperor?

Activities

- collect pictures showing the Mughal Kingdom.
- collect pictures of Babur, Akbar, Jahangir etc.
- collect pictures showing the wars among emperors.

Reference

- the class text book.

Lesson - 16

PRELIMINARY INFORMATION

Name of the student-teacher: Arifi Agha

Class: VIIIth

Subject: Social Studies
written : II Industrial Revolution

Date: 1st Sept Time: 45 min

Topic: Taxes with its prevention.

Registration Number: 216144902036

Name of the Supervisor: Mrs. Risha Ram

Teaching Learning points

- people should know about the invention of James watt.
- people should know how the steam engine works.

Expected learning outcomes

- conceptual understanding : pupils should know about James watt and his inventions.
- Reading the text : pupils read the text pages no. 77, 78 and know about the invention of steam engine? who invented it?
- Information skills : pupils should collect the information about James watt and his invention.

INFORMATION SKILLS

INFORMATION SKILLS

- Reflection : pupils reflects the invention of steam engine and get inspired by the invention.
- Mapping skills : pupils identifies the process and tools for making steam engines.

Teaching learning Materials & Items

- charts showing the invention of steam engine.
- charts showing the material used to make steam engine
- charts showing the works done by steam engine.

2) Questioning

Now, we will discuss what we have learnt. Now, answer the questions.

→ What did James watt invented?

→ Who was the partner of

James watt?

→ For what works the steam engine is used?

→ Who was James watt?

Steam engine solution.

Spinning, weaving, making iron tools etc.

Watt was an English crafts man.

Generalisation

→ People should know about the invention of James watt.

→ People should know that how the steam engine works.

Evaluation

- who was James watt?
- what did James watt invented?
- who was the partner of James watt?

Activities

- collect pictures of James watt's steam engine.
- collect pictures of works done by steam engine.

LESSON-17

PRELIMINARY INFORMATION

Name of the student-teacher: Arati Otha
Class : 5th

Subject: Social Studies
Unit : II Production in a factory-A paper mill
Language: English
Topic: process of paper making.

Time: 45-min

Date: 19/11/19

Register Number: 1: 216144902036

Name of the Supervisor: Mrs. Ishika Rath

Teaching Learning Points

- people should know how the paper is made.
- They should know the process of preparing paper.
- They should also know the stages to prepare paper.

Expected Learning outcomes

- conceptual understanding: pupils should know about the preparation of paper and its uses.
- Reading the text : pupil should read the text page no: 86, 87 and know how to prepare paper.
- Information skills : pupils should collect the information about the preparation of paper.
- Reflection : pupils reflects the importance of preparing paper and its uses.
- Mapping skills : pupils identifies the process of paper-making.
- Appreciation : pupils appreciate the preparation of paper-making.
- charts showing the preparation of paper-making.
- charts showing the stages of paper-making.

Teaching Learning Materials (TLMs)

Steps	concept analysis	Teacher's Activity	pupils Activity	black board work	TLM
<u>STEP-1</u>					
1) Greetings		Good Morning Students! How are you all? How was your day till now?	fine teacher		

2) concept Mapping

3) Announcement of the topic

So, children today we are going to learn how the paper is being prepared and its stages.

process of paper making

1) Reading the text.

Inside the factory compound we saw a lifting crane lifting suburban wood bunks. Loring and placing it on iron plat form. A conveyor belt took the wood to the cutting machine. Paper is actually made in five stages. This paper mill had separate sections for each stage, which uses different machines and raw materials. The stages are chipping, making of wood pulp, spreading the pulp, pressing, drying and finally cutting.

Now, you have underlined the key words, stand up and read them one by one.

pupils will read them one by one

Steps	concept analysis	Teachers Activity	pupils Activity	black board	time
1) Identifying word concept	Students know the words on the black board.	Teacher writes the words observe them and write them in their note book.	pupils will converge both, clapping, raise, press, touch, make, clean, talk.		10 min
2) Meaning of words	Students know the words by giving examples and illustrations.	the student-teacher asks the students knowledge of words by giving examples and illustrations.			
3) Concept and understanding	Student-teacher explains about the process of paper-making and she invites the students to groups and asks few questions.	Student-teacher explains about the process of paper-making and she invites the students to groups and asks few questions.			

Steps	concept analysis	Teachers Activity	pupils Activity	black board	time
2) Questioning	<p>Now, we will discuss what we have learnt? Now, answer the questions.</p> <p>→ what are the five stages to prepare paper?</p> <p>→ which wood is used to prepare paper?</p>	<p>pupils activity</p> <p>clipping, breaking of wood pulp, Sprinkling the pulp, pressing, drying, making and cutting.</p> <p>bamboo, Eucalyptus, and Salabai trees.</p>			10 min

Generalisation

- people should know the process of paper making.
- people should know the products used for paper making.

Evaluation

- what are the products used to make paper?
- what is the process to make paper.

Activities

- collect pictures of machines used for making paper.
- collect pictures of raw material for making paper.
- collect pictures of paper mills in Andhra Pradesh.

Reference

- 7th class text book.

LESSON - 18

PRELIMINARY INFORMATION

Name of the Student-teacher: Arati Otha

Class : 5th

Date : 20/11/19
Subject : Social Studies
Unit : II Agriculture in ancient times.

Topic : Agriculture in Andhra Pradesh

Time : 45 min.

Register Number: 21614902086

Name of the Supervisor: Mrs. K. Renuka Rose

Teaching Learning Points

- Meaning of Agriculture.
- Need of investment.
- Need of tanks, bore wells and canals.

Expected learning outcomes

- conceptual understanding : pupils should know about agriculture, their investments and about water facility, about irrigation facilities, about agriculture in Andhra Pradesh.
- Information skills : pupils should collect information about the agriculture, these investments and their importance.
- Reflection : pupils reflect the importance of agriculture and its uses.

Picture of the irrigation facilities in AP

IRRIGATION METHODS

- Mapping skills : pupils identifies the agriculture method and know about it by gathering information.
- Appreciation : pupils appreciate the agriculture in Andhra Pradesh and they feel very proud of it.

Teaching Learning Materials (TLMs)

- charts showing the agriculture produce in Andhra Pradesh.
- charts showing different crops grown in Andhra Pradesh.
- charts showing tanks, canals and bore wells used for agriculture.

Steps	concept Analysis	Teacher's Activity	Pupils Activity	Black board work	Time
<u>STEP-1</u> Directions	Good Morning Students! How are you all today? How was your day till now?	Pupil teacher			
2) concept Mapping	children do you know about agriculture?	can you tell me what is the main crop in Andhra Pradesh?	So, children today we are going to learn about Agriculture in Andhra Pradesh, their importance and uses.	पाली चारों गांव मात्रे कृषि प्रौद्योगिकी	
3) announcement of the topic	concept Analysis	children now take pen and paper and read it while reading underline the key words.	Activity 1 पाली चारों गांव मात्रे कृषि प्रौद्योगिकी	Agriculture in Andhra Pradesh	147

Steps	Content Analysis	Teacher's Activity	Pupil's Activity	Blackboard work	Time	Notes
3) Identifying the important words in the relevant concept in the given water levels and increased dependence on rainfall.	4) understanding the key words.	Student-teacher write the words on the blackboard.	pupils will observe them and write them in their note book.	paddy, jowar, bajra, millet, pennisetum, maize, reflection, fluorine.	10 min	10 min
4) conceptual understanding	5) Conceptual understanding	The student-teacher asks the students about the knowledge of words by giving examples and illustrations.	Student-teacher explains about the agriculture in Andhra Pradesh and she divides the students into groups and asks few questions.	10 min	10 min	10 min

Generalisation

- people should know about agriculture and its need.
- people should know about the investments on agriculture.
- people should know about the need of water for agriculture purpose.

Evaluation

- what are the main crops in Andhra Pradesh?
- what are the importance of tanks, canals and bore wells?
- what is agriculture?

Activities

- collect pictures of different crops grown in Andhra Pradesh.
- collect pictures of irrigation facility in Andhra Pradesh.

Reference

- get class text book.

LESSON-19

PRELIMINARY INFORMATION

Name of the Student-teacher: Arati Utha

Class : VIth

Subject: Social Studies

INTEGRATION POINT: Entire unit: III Past, Empires in Society

Topic: Ashoka: A unique ruler.

Teaching Time: 45min.

151

Register Number: 2016144902036
Name of the Supervisor: Mrs. Usha Rani

150

Teaching Learning points

- know about the history of Ashoka.
- know about Ashoka's war in Kalinga.

Expected learning outcomes

- conceptual understanding: pupils should know about the ruling of King Ashoka and his message to the people.
- Reading the text: pupils should read the text page no: 19 and know about King Ashoka.

- Information skills : pupils should collect information about the king Ashoka and his rulings.

1. What are the major teachings of King Ashoka?

2. What are the main features of Ashoka's rule?

153

- mapping skills: pupils exercises the teaching of King Ashoka and his message to the people.

- Appreciation : pupils appreciate the teaching of King Ashoka and his messages.

Teaching Learning Materials (TLMs)

- charts showing the picture of King Ashoka.
- charts showing the messages given by Ashoka.

152

STORY	TEACHING POINTS	ACTIVITIES	RESOURCES	TIME
STEP 1 Introduction	Practised reading standards, now role play will reading? What does great public speaker?	great speaker.	books, story book, poster board	15*

new words
mapping

children can speak and use
new words involving Ashoka?
what was Ashoka like?

of government
concern for
the people.
King Ashoka
and his teaching.

Ashoka
a unique
ruler
King
Ashoka

STEPS	Concept Analysis	Teacher's Activity	Pupil Activity	BLACKBOARD	TIME
Step 2	Ashoka - a unique ruler	Children will take pages no. 71 and read it. While reading underline the difficult words you come across.	Underline difficult words	King Ashoka	15

1) Reading
the first ruler was Ashoka. He was the first ruler who tried to take his message to the people through an inscription.

Most of Ashoka's inscriptions were in Prakrit and were written in the Brahmi Script.

Ashoka won Kalinga. Kalinga is the ancient name used by Ashoka. Ashoka fought a war to conquer Kalinga. Now even he was so horrified

when he saw the violence and the blood shed that he decided not to fight any more wars. He is the only king in the history of the world who gave up conquest after

identification
key words

Now you have underlined

the key words stand up

and read them one by

one.

Steps	concept activity	Teacher's Activity	pupils activity	black board work	TLM	156
3) Identifying word concept	Student - teacher write the words, on the black board.	Students about the knowledge of the words by giving example and illustrations.	pupils will observe them and write the words in the note book.	Mangyan ruler unique, inscriptions, Preaker, Kalinga, hanirified, conquest.		
4) Understanding the key words		the student-teacher asks the students about the knowledge of the words by giving example and illustrations.				
<u>STEP 3</u>	1) conceptual understanding	Student-Teacher explains about the King Ashoka and his messages, She divides the Students into groups and asks them few questions.				

Steps	concept analysis	Teachers Activity	pupils activity	black board work	TLM	157
2) Questioning	<ul style="list-style-type: none"> Now, let us discuss what we have learnt. Now, tell me the answer → who was the king Ashoka? → what was the ancient name of Kalinga? → what did Ashoka decided after winning the war? → what were the main steps? 	<p>King Ashoka was the most famous Mauryan ruler.</p> <p>He decided not to fight any more wars.</p>				

Generalisation

- people should know about the king Ashoka.
- People should know the teachings of Ashoka.
- People should know about the Kalinga war.

Evaluation

- what was the ancient name of kalinga?
- who was the king Ashoka?
- what were the teachings of Ashoka?

Activities

- collect pictures of king Ashoka.
- collect the pictures of kalinga war.

Reference

→ 6th class test book.

Year : 2017

Register Number: 20164902036

Name of the Supervisor : Mrs. Usha Ran

Teaching learning Points

- people should know where the Thar Desert is situated.
- people should know the main occupation of people living there.
- people should know that it is one of the tourist place.

Expected Learning outcomes

- conceptual understanding : pupils should know about the Thar Desert.
- Reading the text : pupils should read the text page no. 131, 132 and know about Thar Desert.
- Information skills : pupils should collect information about Thar Desert and know more about it.

160

Teaching learning Materials (TLMs)

- charts showing the picture of Desert.
- chart showing the border of India and Pakistan.
- chart showing few crops, few trees grown in this region.

161

160

Steps	Concept Activity	Teacher's Activity	Pupils Activity	Black board	TLM
<u>STEP-1</u> 1) Greetings	2) concept mapping	Good Morning Students ! How are you all today ? How was your day tell now ?	fine teacher.		
3) Announcement of the topic		children can you tell me about Thar Desert ? what is the occupation of people living there ?	So, children today we are going to learn about Thar Desert and its surroundings.	Thar Desert	
steps	concept Analysis <u>Thar Desert</u>	Teacher's Activity	Pupils Activity	blackboard	TLM
1) Reading the text	Thar Desert is situated on the border of India and Pakistan. A large part of it is in the region of Rajasthan State. This place receives very little rain and there are no large trees growing here and very few crops can be grown people here mainly depend upon grazing sheep, goats and camels. The shepherds usually travel across many states like Punjab, Haryana, Uttar Pradesh, Madhya Pradesh with their herds and usually come back before the rainy season to that.	Children now take paper or book and read it now. While reading underline the difficult words you cross, across.	pupils will read them one by one.		163

Activity	Pupil's role	Teacher's Activity	Pupil's Learning	Role of Teacher	Time
Introduction	Participate in the discussion.	Teacher asks the students to read the story and answer the questions.	Students learn about the desert and its people.	Teacher asks the questions.	10 min
Analysing the text	Participate in the discussion.	Teacher asks the students to read the text and answer the questions.	Students learn about the desert and its people.	Teacher asks the questions.	10 min
Explanatory	Participate in the discussion.	Teacher asks the students to read the text and answer the questions.	Students learn about the desert and its people.	Teacher asks the questions.	10 min
Summarising	Participate in the discussion.	Teacher asks the students to read the text and answer the questions.	Students learn about the desert and its people.	Teacher asks the questions.	10 min
Conclusion	Participate in the discussion.	Teacher asks the students to read the text and answer the questions.	Students learn about the desert and its people.	Teacher asks the questions.	10 min

Generalisation

- people should know about the location of other Desert.
- people should know about the occupation of people living there.

Evaluation

- where is their desert situated?
- what is the occupation of people living there?
- ⇒ what about the rains in that area?

Activities

- collect pictures of their desert.
- collect pictures of trees and crops grown in that region.
- Collect pictures of animals which are used for earning money.
